

WOMAN DIRECTS MUSICAL CLUB

Rubinstein Organization of
Eighty Members Gives
Morning Recital.

The Rubinstein Club, an organization of eighty women under the leadership of a woman, Mrs. A. M. Blair, gave another of its complimentary morning recitals yesterday in the ball room of the Arlington Hotel, with an audience composed of its associate members and the guests.

The active members gave the program, assisted by two of the honorary members, Mrs. Emma Prall Knorr and Mrs. William Bruce King, pianists, who played the Grieg Romance, the first piano, Mrs. Knorr at the first piano. The other soloists were Miss Allen Miller, soprano; Miss Helen Brennan, mezzo-soprano, and Miss Anna Brett, contralto, all of whom have exceptional voices. Miss Brennan had but recently returned from a professional engagement in New York with the Sousa Band, with which she has also appeared at the Willow Grove concerts.

Miss Brett has a contralto voice which was greatly admired. The club also accomplishes exquisitely delicate work. Mrs. Blair gives her time, talents, and energy to this work without remuneration or compensation.

DELAY IN NAMING MARYLAND JUDGE

Opposition to One Candidate
Said to Have Held
Matter Up.

It is learned today that President Taft probably will not announce an appointment of the new Maryland judge who is to act as an assistant to Judge Morris for some weeks. He has told interested parties that new questions have arisen, and he will pursue his inquiry further.

It is learned that at one time the President had practically made up his mind to name Judge Henry Stockbridge, but on account of opposition which has developed to the Baltimore jurist within the past ten days, he is giving more attention to the other names. The nature of this opposition is not stated at the White House.

Representative Pearce has introduced Judge Ashley M. Gould, an associate justice of the Supreme Bench of the District of Columbia.

Mr. Pearce was formerly inclined to support Charles Waggaman, of Hagerstown, but it is said the President objected to him on account of his youth. Robert H. Smith's friends are still active in his behalf, and the delegation headed by Randolph Barton, which came to Washington yesterday in his interest, made a strong plea for his appointment before the President.

Robert M. McWade was elected delegate to the grand lodge. Arrangements for the stag social session to be held on the evening of March 30 have been completed.

PAYMASTER AULD
FOR PUGET SOUND

Assistant Paymaster George P. Auld, who was tried by court-martial recently at Boston navy yard, has been ordered to duty at the Puget Sound navy yard.

Asst. Surg. A. H. Robinson, U. S. N., who was also tried, will remain on duty at Newport News.

Med. Insp. Howard E. Ames, formerly in command of the hospital at the Boston navy yard, who preferred the charges against the two officers, is now in Washington awaiting further orders.

**CHOIR WILL SING
SEVERAL ORATORIOS**

The sacred oratorio, "The Crucifixion," will be sung by the vested choir, assisted by an additional chorus and orchestra at Christ Episcopal Church, Sunday evening, at 7:30 o'clock. The soloists will be Howard Butterworth, tenor, and John Waters and Roland Rodrick, basses. Mrs. Brown, the soprano soloist of the choir, will sing at the offertory "The Green Hill," by Gounod.

**CASINO ARRANGES
NOTABLE NUMBER**

Announcement was made today by the Casino Theater of the engagement of Ali Rajah, an Arabian telepathist, and one of the most popular entertainers on the Casino circuit, had been engaged for an early appearance.

Ali Rajah is said to give a remarkable manifestation of occult powers. It was with great difficulty that the Casino was able to book this engagement.

MISS GENEVIE WILL GIVE FULL QUOTA OF DANCES

"The Silver Star" a Fitting Vehicle for Ballet Dancer.
Other Attractions at Theaters for Week Beginning March 6.

Adeline Genevieve, last seen in Washington in "The Soul Kiss," returns to the National next week in "The Silver Star," a Kluge & Erlanger production. A spectacular background of musical comedy has been furnished for her this season. It is said to be the most fitting vehicle in which she has yet appeared. "The Champagne Dance," which attracted wide attention in other cities, will form a part of Miss Genevieve's program.

The well-known team of comedians, Bickell and Watson, will be another attraction. Miss Genevieve has fully recovered from a cold that caused her to curtail her performance in Philadelphia.

BELASCO—Lulu Glaser in "Just One of the Boys."
Lulu Glaser and a strong company will present "Just One of the Boys" at the Belasco Theater next week.

It is a new musical play in two acts, by Rida Johnson Younger who has written such successes as "Brown of Harvard," "The Boys of Company B," "Glorious Betsy," "The Lottery Man," and "Ragged Robin." The new play is said to give Miss Glaser the greatest opportunities of her career. The music is by W. A. Schroeder, a young composer whose music is interpreted by an enlarged orchestra under the direction of Ben Jerome. Miss Glaser is supported by Johnny Howard, Irene Frieze, Grace Scott, Edith Sinclair, and a large chorus.

COLUMBIA—"The American Idea."
George M. Cohan's 1909 offering is "The American Idea," which returns to the Columbia Theater for the week commencing Monday evening, March 7.

The new piece is described as a "musical frivolity," which aims to run the gamut of musical comedy resources in three hours. To accomplish this Mr. Cohan has written and composed at top speed. It is his boast that "The American Idea" is the fastest ten piece piece he has ever written, and that the action requires players who can do a hundred yards in ten seconds or better.

The cast is headed by Trixie Friganza. With her are associated such favorites as Arthur Lipson, Raymond Pinney, Mark Hart, Tony Hart, Hugh Mack, Dan Day, Richard Tabe, Jr., Andrews, Rose King, Beatrice Whitford, Myrtle Gilbert, Bessie Friganza, Edith Ross, and Lola Hutton. The song numbers are numerous.

CHASE'S—Polite Vaudeville.
Chase's next week will present "Dinkelspiel's Christmas," George Hobart's last vaudeville hit, first presented at the Christmas gambol of the New York Lamb's Club.

It is based upon the Dietrich Dinkelspiel sketches, and Joseph Hart, the producer, has given it a lavish production and adequate cast. The attraction will be William Sims and company in "Plinkers" Pleased Flat," Charles Leonard Fletcher in new comedy characterizations, the Big City Quartet, and Mlle. Valletta's Musical Leopards.

Yeager and Quinn, Tony, Topsy and Topsy, and "Blissville, the Beautiful," by the Vitaphone, are other important features.

ACADEMY—"McFadden's Flats."
Only the title remains of that frisky farce, "McFadden's Flats," and when the curtain goes up on the new "Flats," at the Academy next Monday evening, a new production is promised.

The scenic surrounding that beautifies each act embraces the girls, who wear bewitching gowns and unique make-up comedians who can dance, sing, and be funny without resorting to old comedy material. Comedy will be the keynote of the new "McFadden's Flats."

COLUMBIA—Newman Lecture.
The fourth of E. M. Newman's interesting series of travel talks will be given Sunday evening next, March 6.

This attract is probably the most interesting of the series.

**A SINGLE SET OF
CUTICURA CURED HIM**

"I feel it my duty to let you know that what success I have used the Cuticura Remedies. When our baby was seven weeks old he broke out with what we thought was heat but which gradually grew worse. We called in a doctor. He said it was eczema and from that time we doctor'd him with three of the best doctors in Atchison but he only got worse. His face, head and hands were a solid sore. There was no end to the suffering for him. We had to keep him from scratching. He never knew what it was to sleep well from the time he took the disease until he was cured. He kept us awake all hours in the night and his health was what you would call good. We tried everything but the right thing. Finally I got a set of the Cuticura Remedies and am pleased to say we did not use all of them until he was cured. We have waited a year and a half to see if it would return but it never has and to-day his skin is clear and fair as it possibly could be. I hope Cuticura may save some other little one's suffering and also their pocket-books." John Leason, 1403 Atchison St., Atchison, Kan., Oct. 19, 1909."

CHANNING ELLERY.

PROGRAM ARRANGED FOR FINAL CONCERT

Philadelphia Orchestra May Add
New Laurels to Those
Won Recently.

Many critics believe the Philadelphia Orchestra, now ten years old, is at the height of its efficiency, as a body of virtuoso musicians, capable of meeting the demands of the great masters of music.

This efficiency, under the leadership of Mr. Pohlig, both in the matter of technical ability and real feeling, was demonstrated at the Wagner night in Philadelphia recently, when the interpretation of a notable program won high approval.

The music selected put every member to the test, while Mr. Pohlig's dominance was apparent at all times.

At the final concert Mr. Pohlig will interpret Johan Svendsen's overture, "Carnaval in Paris," Cesar Franck's Symphony in D minor, Carl Pohlig's "Impressions of America," a suite of sketches, and Richard Wagner's overture to "The Flying Dutchman."

This Marvelous Health Vibrator Relieves Suffering Cures Disease

When you hurt yourself you rub the spot. When you hurt your back you rub the back. This is Nature's own remedy, and rubbing is Nature's crude way of creating vibration and starting the blood to go. Disease is only another name for congestion. Where there is congestion or pain there you will find the blood congested and stagnant. There can be no pain or disease where the red blood flows in a rich and steady stream. Good circulation means good health. Congested circulation means disease and pain.

The Lambert Snyder VIBRATOR

There is Only One DISEASE, Congestion. There is Only One CURE, Circulation.

Is the greatest discovery of the Twentieth Century. It is capable of giving from 5,000 to 15,000 vibrations per minute—100 times more than is possible with the most expert master of massage. It is a light, compact instrument, weighs twenty ounces, can be operated by yourself with one hand by moving the steel head over the rigid steel rod, and can be placed in contact with any part of the body. It is Nature's own remedy developed and concentrated, and with one minute's use sends the red blood rushing into the congested parts, removing all disease and pain.

WHAT IT DOES TO DISEASE AND PAIN.
Rheumatism, Sciatica, Lumbago, Gout, etc., are caused by uric acid in the blood in the form of urate of soda. This acid roughs up the system and, congregating, causes pain. Apply the Vibrator to the spot, and you will relieve the congestion and get relief at once.

Headaches, Head Noises, Ringing in the Ears, in most cases, are caused by the thickening of the inner membrane through a start or cold. To cure this vibration is the only thing, as it is the only way to reach the inner ear drum and loosen up the hard wax or foreign matter, so sound may penetrate to the drum.

Stomach Trouble, Indigestion, Constipation, etc., are caused by the food not properly digesting; it lacks necessary saliva and gastric juices, thus creating congestion in the stomach; forming gases, causing pain, bad breath, etc. Apply the Vibrator to the stomach; it settles the food down, releases the gases, regulates the action and brings about relief instantly.

ELLERY'S BAND IS HEARD HERE

Offers Attractive Program to
Audience at the Colum-
bia Theater.

Washington's music loving public was furnished a genuine treat at the Columbia yesterday afternoon by Channing Ellery, with his military band.

Mr. Ellery was not greeted by a capacity audience by any means, but what it lacked in numbers, it made up in enthusiasm.

Every number on the program was handled with consummate skill by finished musicians. After the performance was well under way Mr. Ellery felt called upon to apologize to the audience for the fact the stage had been set for an orchestra, and that with his musicians he had arrived in town from a Philadelphia "street car strike marathon" too late to make a change. Some few in the audience may have noticed that the fifty-two pieces were crowded, in matter of elbow room, but this could not be noticed in the rendition of any number, not even in "I Pagalacci" or the overture from "William Tell," where the heavy and light parts were strongly contrasted.

The special features of the afternoon were the euphonium solo by Joseph Giulio, tenor solo by Ferruccio Giamini, and the solos of Grace and D'Amici.

This afternoon the full band will play at the National Press Club, it being ladies' day. Two other concerts will be given at the Columbia Theater, one tomorrow afternoon, and the last Sunday afternoon, both at 4:30.
